Once the child has completed the three forms English and Math he/she can write marketing and work in math engineering with the job attached. These are stencils you can copy and paste(mspaint) into an application (html) and run on IBM (Java/WebSphere). You can speak same the language f(x), marketing English, and literature with normal clothing nonPoliceManaged.

nonPoliceConversation

You: Hello Child, How are you?

Child: I am fine.
You: What id f(x)=x^2
Child: x=1, y=1
You: great. The Job?
Child: Chart and Marketing...
You: I will go.

Child: Faust
You: Gothe, God..
